Neighborhood Updates

New Neighbors

The home plans for Lot #15 have been approved; the Youngs hope to break ground within the next 12 months.

Lot #22 is under contract, and the Najim's house on Drovers Lane is scheduled to close in late April.

Landscaping

Mike Surrett has been contracted to handle the mowing and upkeep of the common areas and roadways for 2021. There continue to be issues with road maintenance specifically damage from trucks hitting rocks. The board is looking into adding larger rocks at the entryway and to other vulnerable areas.

Board Positions

Elections will take place during our October annual meeting for President and Secretary. If you have interest in serving our community but have any questions, please feel free to contact current Vice President, Paul Krieger, at PaulMKrieger@gmail.com.

Finances

All 2021 dues have been received from home and lot owners. The 2020 taxes have also been filed per Marge Greene, Treasurer.

E-Newsletter

This inaugural edition of the DRP e-newsletter will kick off a quarterly bulletin to bring news of neighborhood events, board activity, and other information to our home owners and lot owners. If you have ideas for content you would like to see included in the e-newsletter, please contact Betty Lynne at BettyLynne@gmail.com.
