Neighborhood Updates

Annual Meeting

This year's annual meeting will take place on Thursday, October 14 at 7pm. The location is at High Meadow, 200 Sugar Hollow Road. Along with the required business review, we will elect two new board members. At this point, we are still planning to meet in person. Provided we do so, a social hour will follow. Please bring a dish to share!

New Neighbors

The DRC has been communicating with multiple families planning to build soon. Heidi and Lemuel Thompson (lot #21) are working on a Mountain Modern house design as are Joe and Shari Parks (lot #16). Todd and Katherine Kaderabek (lot #17) are in early stages of a Modern Farmhouse house design while Michael and Susan Young (lot #15) are continuing with their Mountain Modern plans. The Johnson family purchased lot # 10 and the Farrell family purchased lot#4. Two remaining lots are still on the market — #9 and #19.

The Froelich family is undergoing a major renovation of their home and are working to mitigate the clay deposits left by the heavy trucks. They plan to clean the road and repair the shoulder below their home once construction is complete.

Wildlife in the Neighborhood

We are blessed to live in a neighborhood surrounded by dense woods teeming with wildlife. We have seen an abundance of bear activity this summer including a female with cubs. The [Bear Wise](#) program was created to help people understand bear habits and offers these tips for those encountering bears near their homes.

- Never feed or approach bears.
- Do not feed pets outside.
- Remove bird feeders when bears are active.
- Secure garbage & recycling.

Fun fact! A black bear can smell the scent of a human in a footprint, ripe berries in the air, or a steak grilling from a mile away. A bear can smell seven times better than a bloodhound!

Garbage/Recycle
Dates to Note

Recycle Days

August 26

Sept. 9 & 23

Oct. 7 & 21

Nov. 4 & 18

Dec. 2 & 16 & 30

Friday the 10th

Thanksgiving Week:

Pickup with be

Friday the 26th

Our Furry Friends

It's always great to see neighbors walking the streets and trails of DRP with pups in tow. Please remember to pick up after your pet or move the waste off the trail and into the woods away from foot traffic. Thank you!
